2) Registration conditions and right of objection

- The membership begins with acceptance of the admission confirmation.
- Membership fee: First due date after confirmation by the association, then annually on 15 February from the next year on.
- The payment of the membership fee from the first year is made by transfer by the member, even without a request for payment by ShuM-Cities Ass.
- A direct debit mandate is regrettably too complex for the association.
- After confirmation of the admission to the SchUM-cities e.V., you can revoke your declaration of membership within two weeks without giving reasons in text form (e.g. letter, email). The punctual sending of the revocation is sufficient to preserve the right of objection.

Your contradiction shall be addressed to:
